March of Dimes is a champion for families, fighting for the health of moms and babies in communities like yours and across the country. We believe that every baby deserves the best possible start. Unfortunately, not all babies get one.

The March for Babies community bands together to fight for the health of all moms and babies. When you March for Babies, you make a statement about the world you want to live in - one in which healthy moms and strong babies are a priority for us all.

Join in on the fun at North Fulton March for Babies - a day to HOPE, REMEMBER, and CELEBRATE.
