2019 Ambassadors - The Riders

After a doctor's visit at 29 weeks, I was admitted to the hospital with high blood pressure and would stay until we had Chloe. On my 8th day there, with BP at 215/105, I had an emergency c-section. Chloe was born June 16 weighing 4lbs. 11oz. I got to hold Chloe briefly in the NICU that day, then not again until the

next afternoon. She wasn't able to eat on her own but managed to regulate her temperature and never needed oxygen. Chloe came home June 28 weighing 4 lbs., 9 oz., and hit 5 lbs. on July 4!

OUR 2019 MARCH FOR BABIES CHAIR

I'm honored to serve as the 2019 March for Babies chair to help March of Dimes lead the fight for the health of all moms and babies. As part of this amazing community, we stand with tens of thousands of people across the country who share our commitment to making a difference in the lives of families. We come together to raise funds and awareness to support moms through every stage of the pregnancy journey, even when everything doesn't go according to plan.

March for Babies is a day for everyone. Together we hope, remember and celebrate. Please join me and other community supporters as we march in Jensen Beach. Millions of families are counting on us to help them have the best start possible. Let's make this year's event the biggest and best ever.

Thank you for marching with us. I look forward to seeing you there!
