

YOUR DONATION MATTERS

When you support March of Dimes with a gift, you're saying **it's not fine** that thousands of moms and babies deal with complications from pregnancy and preterm birth. But together we can do something about it. Your donation makes a **REAL IMPACT FOR FAMILIES** today and generations to come.

FOR A \$50 DONATION WE CAN

- Give a month's supply of diapers to a military family
- Celebrate and educate moms-to-be in communities of need and provide them baby items like swaddles, breast pumps, baby thermometers and other essential items
- Support programs that include resources to help moms and moms-to-be quit smoking

FOR A \$75 DONATION WE CAN

- Provide newborn screening for a baby in a hospital through our advocacy work
- Fund one hour of innovative prematurity research

FOR A \$100 DONATION WE CAN

- Provide essential baby items such as a stroller or pack 'n play for women who complete a prenatal education program

FOR A \$200 DONATION WE CAN

- Support a NICU family at their bedside to help them navigate the challenges of having a preterm baby

FOR A \$300 DONATION WE CAN

- Shower a military mom with essential baby items and celebrate and educate her and her family

FOR A \$500 DONATION WE CAN

- Help 5 families feel at ease in the NICU with support and education

FOR A \$1,000 DONATION WE CAN

- Provide four moms-to-be access to our Supportive Pregnancy Care program where they receive prenatal care, support and education throughout their pregnancy
- Comfort 100 families of babies in a NICU through educational materials and activities

FOR A \$2,500 DONATION WE CAN

- Help 10 women access quality prenatal care
- Provide on-demand training for staff at one hospital on topics to improve care and support, including easing parent trauma in the NICU and caring for the caregiver
